# OPTIONAL PREMIUM ENRICHMENT SERVICES

Thoughtfully curated programmes and experiences designed to provide students with enhanced academic support, skill development, wellbeing, and holistic growth beyond the core school curriculum.

## Weekly Boarding Programme

A premium Monday–Friday residential experience where students stay on campus in a safe, structured, and nurturing environment.

With supervised study, academic support sessions each evening, nutritious meals tailored to individual dietary needs, activities of their choice, and thoughtfully curated daily routines, students return home on Friday evenings having completed their academic responsibilities for the week, allowing families to enjoy stress-free quality time together.

**Boarding Facility Fee**

USD 3,222

## Little ABLE Programme – Ages 2.5 to 5 Years

A premium early enrichment programme designed during the most critical years of brain development.

Through ballet, music, yoga, pottery, movement, and instrument exploration, children strengthen coordination, creativity, focus, confidence, fine motor skills, and neural development, abilities scientifically linked to stronger cognitive growth and future learning readiness.

An exceptional early years experience for families who believe the foundation years should never be left to chance.

**Nursery / KG**

**Extended Day Programme (8:30 AM–4:00 PM)**

USD 3,200
